APPENDICES.

APPENDIX A.

Your Committee on Abstracts would make the following report:

The churches comprising the Mississippi Baptist Association, with few exceptions, were represented by letter and delegation, some of which, have enjoyed during the past associational year, peace and harmony among themselves; also refreshing seasons from the presence of the Lord. Very few Sabbath Schools reported and some of them in a languishing condition; also, some report prayer meetings in flourishing condition. Others, complain of coldness and a want of zeal.

Your Committee would further report that from the reading of the associational letters that there is a great and alarming want of ministerial labor within the bounds of the Association.

For further particulars, we refer you to our Statistical Table.

All of which is respectfully submitted.

M. JACKSON, CHAIRMAN.

A. S. GERMANY,

T. J. EVERETT,

Committee.

APPENDIX B.

Report on General Association:

Your Committee to whom was referred the subject of a General Association, beg leave to report, That as a large majority of the churches composing this Association have expressed themselves in favor of the formation of such an Association, and as the Pearl River Association, in accordance with the request of your Executive Board, has designated Friday before the Fifth Sabbath in October as the time, and Summit, Miss., as the place, for the holding of a convention of delegates, from the different Associations, with reference to the formation of the same: We therefore recommend the concurrence of this Association in the time and place designated by the Pearl River Association, and that ten delegates be appointed to sit in said convention, with instructions to join with the delegates of such associations as may receive like instructions in the formation of a General Association for Southern Mississippi and Eastern Louisiana; and further, that each church of this Association be requested to send one delegate with like instructions to sit in said Convention.

All of which is fraternally submitted.

S. BUFFKIN, CHAIRMAN.

APPENDIX C.

We, your Committee, appointed on Temperance, beg leave to make the following report:

WHEREAS, Several of our churches complain of the evil of intemperance among their membership, requiring the exercise of discipline, And whereas, aforesaid, evil is evidently on the increase, hindering the success of the Gospel and ruining the souls of men; Therefore,

Resolved, That it is the mind of this Association, that our churches should adopt the most stringent measures for the suppression of the evil alluded to. That every case of drunkenness should be made a cause of gospel discipline and if persisted in, the party or parties thus offending, should be promptly excommunicated.

Resolved, further, That tippling or occasional dram drinking, especially at public bars or dram shops, is incompatible with the christian character, and a great hindrance to the cause of our Redeemer.

All of which is respectfully submitted.

W. Z. LEA, CHAIRMAN.

APPENDIX D.

The Committee on Sunday Schools beg leave to report, that in a large portion of our Association the churches are not sufficiently alive to the interest of Sabbath Schools. We would recommend that every Church however large or small, should have strictly a denominational school, using the New Testament exclusively as the text book, and such question books as are best calculated to instill in the mind of the youths, the peculiarities of our beloved denomination. We would further recommend that in the churches where there are schools, and also where there are none, there be Bible classes organized, in which the churches are to take active parts and use every effort to bring in others who reside in their respective communities. We would recommend Kind Words, as a valuable Sunday School paper. We would recommend the organization of District Sunday School Conventions, auxiliary to the State Convention.

L. SCOFIELD, CHAIRMAN.

APPENDIX E.

Your Committee on Ministerial Support beg leave to submit the following:

WHEREAS, Many churches within the bounds of this Association are destitute of regular or even occasional preaching, in consequence of which their membership are being scattered, and some churches disbanded, And whereas, The destitution alluded to, is the cause of great sorrow of heart, to every lover of Zion, and a deprivation of the bread to hundreds of souls; And Whereas, There is a sufficient number of Gospel Ministers to supply the destitution within the bounds of our Association, who for the want of a support are forced to engage in other callings in order to procure food and raiment for themselves and families.

Therefore, Resolved, That if the Ministry failed to preach a whole Gospel to their congregations, they are responsible for aforesaid destitution with its dire consequences. But if the churches alluded to were instructed in their duties to the Ministry and failed to give their Pastor a competent support, God will hold them responsible for their delinquency at the great day of final accounts.

All of which is respectfully submitted.

E. B. McLAIN, CHAIRMAN.

APPENDIX F.

Your Committee on Nominations would beg leave to submit the following report for Executive Committee:

Brother Moses Jackson, of Providence Church; Brother W. Z. Lea, of Liberty Church; Brothers E. B. McLain, and Stephen Jackson, of Galilee Church; Brother T. J. Everett, of East Fork Church; Brothers W. H. Gunby, and W. P. Smith, of Ebenezer Church.

All of which is respectfully submitted.

WM. S. ROBINSON, CHAIRMAN.

APPENDIX G.

MINISTERIAL EDUCATION.

Your Committee on Ministerial Education beg leave to report, That they find an excellent report on this subject in the Minutes of the Pearl River Association and recommend its adoption by this Association. It is as follows:

That the time has fully come when Baptists owe it to their God, their denomination, their children and the world to educate their ministers. False teachers, like the locusts of Egypt, are darkening our land. The advance guard of these devouring multitudes are led on by ripe scholars, subtle logicians, men who with the utmost ease read the original Greek and Hebrew, and with almost equal ease pervert its sacred precepts and example, teaching for doctrine the commandments of men. These false teachers must be met by scholars equally ripe, or truth must suffer in the hands of its friends. Therefore be it,

Resolved, That the Pastors and Churches of the Mississippi Association be hereby requested earnestly to pray the Lord of the harvest to send forth laborers into His harvest and that we make diligent inquiry in our midst for the Lord's called.

Resolved, That if God should call from our midst uneducated men we urge upon them the necessity of acquiring a good education and recommend Mississippi College, our Baptist State Institution, located at Clinton, Mississippi, as a suitable place for the attainment of this end.

Resolved, That we heartily welcome to labor in our midst, as Providence may direct, our esteemed brother, Elder Jas. Nelson, Corresponding Secretary of the Ministerial Educational Board of the Mississippi Baptist State Convention, and that we advise our young brethren who desire an education to correspond with him at Clinton, Mississippi.

Your Executive Board would beg leave to submit the following as their report for the year 1871:

We continued our Missionary Brother Bolls in his field of labor until the end of the year, whose report we have received for the last quarter ending the 1st January, 1871, with which we are perfectly satisfied. He reports 27 Sermons preached; Traveled 157 miles; distributed about \$100 worth of Books; Baptized 10.

In December after the adjournment of the Association, we made an engagement, with Brother J. G. Kendall, who commenced the 1st of January and labored one month, with which we were satisfied. Brother Kendall felt that the Lord had opened another field of labor for him, tendered his resignation, which was received.

Your Board has been embarrassed for the want of funds to operate upon, consequently we plead this as our excuse for presenting such a meagre report to this body.

All of which is respectfully submitted.

Obituary.

DIED—In Amite County, Mississippi, in the month of June, A. D., 1871, Elder **ZACHARIAH REEVES**, in the 77th year of his age.

Painful is this announcement, but it is true, Elder **ZACHARIAH REEVES**, is gone. After a long life of usefulness, he has passed away. He was born October 31st, 1799—in Richland District, South Carolina, moved to Amite County in 1810, remained a few months in that County, and then moved to the County of Pike, where he lived for many years. He was baptised by Elder Abesalom Harper, in 1823, and then become a member of Friendship Baptist Church, in Pike County; and was licensed, ordained and set apart to the full work of the Ministry in the year 1832. He afterwards settled in Amite County, and remained there until his death. For near forty years, he was one of the leading Baptist Ministers in this Association, and for many years its Moderator. He has left a name and character behind him, of which his children, and community may well be proud. To say that he was not perfect, is simply to admit his humanity, for as near perfection was attained by him, as falls to the lot of man. He stood prominent among the Gospel Ministers of his day, and time, enjoying an unbroken religious affluence. His early literary advantages were very limited, but his great native intellect, enabled him to tower above ordinary minds, highly cultivated, his study of the Scriptures, was commensurate with his Church membership, and his exposition of the teaching of the Bible, showed his profound knowledge of Gospel truth. He has left a large circle of children, and grandchildren, as well as numerous friends to mourn his loss. As a husband kind, and affectionate, as a father indulgent, as a christian zealous and pious, and as a Gospel Minister, he had few equals, and in all the relations of life, he discharged his duty with fidelity, and ability, and has gone to his reward in bright hope of a glorious immortality, the purity of whose life was an example for us all. His constancy of character, inspired unlimited confidence, and gave him an influence for good, long after he is gone. He was qualified for the great work God had given him to do, and he performed it according to His will, and has heard the plaudit, "Well done, good and faithful servant, enter into the joys of thy Lord, which eye, hath not seen, nor ear heard, nor hath it entered, the heart of man to conceive."
